## POROFILE

As a native of Sweden, my passion for design is deeply ingrained in my life. I am highly motivated and committed to continuous learning and staying updated with the latest software and industry trends. I possess a strong creative aptitude and a quick grasp of new concepts, excel in team collaboration, and have a track record of delivering exceptional service to clients

## WORK EXPERIENCE

### Chief Product & Graphic Designer, Aquarius Engines

2020 - today

Aquarius Engines is a startup company in the energy sector. As a Product & Graphic Designer, my primary responsibilities included:

- Collaborating with fellow designers to manage workflow effectively.
- Directly engaging with all company departments.
- Designing marketing and internal materials, such as investor presentations, websites, management software, exhibitions, and more.

### UX/UI & Grapihc Designer, D&S Global Branding

2019 - 2020

Design & Shot is a brand identity company specializing in startups.

As a Graphic and UX/UI Designer, my key responsibilities included:

- Direct, daily interaction with clients.
- Comprehensive branding, including logo design, advertising materials, packaging design, display booth graphics, and UX/UI design for apps and websites.
- Establishing and communicating precise design guidelines, crafting wireframes, and developing site maps.

### Freelance Graphic Designer, eMojo, Windman

2018 - 2019

As a freelance graphic designer I worked on a wide variety of projects such as, exhibitions and pavilions Designing, landing pages and more.

### Visual Marketing Design, Windman Productions

2015 - 2018

Windman is a production and design company for events, exhibition booths and more, as a Visual Marketing and event designer, my core activities included:

- Building a concept presentation and presenting it to the clients.
- Creating and designing plans and sketches according to budget.
- Teamwork with designers, operations personnel, producers and production assistants.
